DETAILED ACTION

1. This application is in condition for allowance except for the following formal matters:

The references numerals 3250 and 3150 in Figure 3 are not described in the specification.

The reference numerals 3170 and 5270 (page 4) are not shown in the drawings.

Applicant is reminded of the proper language and format for an abstract of the disclosure.

The abstract should be in narrative form and generally limited to a single paragraph on a separate sheet within the range of 50 to 150 words. It is important that the abstract not exceed 150 words in length since the space provided for the abstract on the computer tape used by the printer is limited. The form and legal phraseology often used in patent claims, such as "means" and "said," should be avoided. The abstract should describe the disclosure sufficiently to assist readers in deciding whether there is a need for consulting the full patent text for details.

The language should be clear and concise and should not repeat information given in the title. It should avoid using phrases which can be implied, such as, "The disclosure concerns," "The disclosure defined by this invention," "The disclosure describes," etc.

The abstract uses the word "means" in line 1.

In claim 1, line13 the " ," should be changed to a " , ".

A new oath or declaration is required because no oath or declaration is present or has been filed thus far. The wording of an oath or declaration cannot be amended. If the wording is not correct or if all of the required affirmations have not been made or if it has not been properly subscribed to, a new oath or declaration is required. The new oath or declaration must properly identify the application of which it is to form a part,

Art Unit: 3611

preferably by application number and filing date in the body of the oath or declaration.

See MPEP §§ 602.01 and 602.02.

2. Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.
